ABOUT ME

My name is Jarosław Janas and I'm a Front-End Developer. I started my work with code in 2020. I really enjoy it and I want to be a better Web-Developer every day. My specialization is creating websites and applications in JavaScript language.

EXPERIENCE

2021 - NOW 💼 **Front-End Developer – Freelancer**

- **https://www.demo-transfers.vercel.app** – *app demo version. The project was bought by several companies.*
